

# SILVER

Our Silver practice group will start on **September 8, 2025 and end on June 26, 2026**. This group will be primarily swimmers 13 and over. Your swimmer is expected to continue swimming through June 26, 2026. If for some reason you choose not to continue through this date you must provide a 60 day written notice and pay a \$150 early termination fee. Practices will be held Monday through Thursday 5:00pm-6:30pm and Friday 4:30-6:00pm. Based on our coaching experience, five practices a week is what is required for success. We find a direct correlation between the number of practices attended and a swimmers success. Please see the practice schedule for all groups and a list of dates with no practice due to holidays and assigned days off. **Attendance is not mandatory in this group but we take attendance daily. This data is powerful for the coaching staff to see how the swimmer develops over the season based on their effort. Competition is strongly encouraged.**

The Silver group is \$315/month September through June. There is a \$175 non-refundable team registration fee due immediately. For those who do not pay the registration fee by August 1st the fee increases to \$250. In addition, after September first you will be required to register with USA Swimming which is an additional \$98. This will be paid directly to USA Swimming. Payments are due on the first of the month. We accept checks or cash. We do not have an electronic option. Checks will be manually entered into the system and therefore it may take several days before payments are recorded. You will have a five day grace period and access to your account 24/7. If your payment is not received by the fifth of the month you will receive a \$25 late fee. Checks returned for insufficient funds will be charged \$25. There are additional fees for meets, caps and team gear or other events during the season.

We will be offering swim competitions for all levels. As already stated, competition is strongly encouraged. You will receive an email invitation to each competition and will be expected to Accept or Decline the invitation. You Must Accept or decline the meet by the deadline. All swimmers who remain listed as Undeclared will be charged a \$25 fee. It is a simple process to click either Accept or Decline and submit. Please ask for help if you need it.

Equipment: All swimmers will be required to have a team suit, team shirts, team caps, an SSC equipment bag, SSC backpack, snorkel and aqua knuckles. We will provide you with more detailed instructions on how and what to order.
