David B. Clary

David Clary, one of our most promising swimmers, passed away during the Fall of 1982, at the age of 18, after a prolonged illness. Throughout his illness, David followed the Stingrays and continued to give his support.

In his honor, his family has established this award, which will be presented to the swimmer in the 13-14 or 15-18 age groups who has, throughout his/her career, given the Stingrays his/her own time and support. This award is intended to thank the swimmer who has, through his/her special qualities, improved the Stingray team, both in and out of the pool. This plaque is donated and presented by the Clary Family. The inscription shall read:

"In honor of the time you have spent, spirit you have shown, and efforts you have made in our name."

There is a master plaque with each swimmer's name and the swimmer shall receive an individual plaque.
