#### VOLUNTEER COMMITMENT:

- CSCI hosted events/swim meets are very important as they help offset the cost of the Club. The registration fees and fundraisers alone do not cover the Club's expenses. The volunteer commitment of our membership is critical to ensure efficient and quality Home Meets are conducted to raise money.
- As part of the registration process, we are asking our members to acknowledge they understand their volunteer requirement for the 2025-2026 season.

#### SWIM MEETS

- Swimmers are strongly encouraged to participate in swim meets throughout the season. It's a great experience and an effective way to measure growth! Parents are expected to help when needed.
- Meet fees are an additional charge and are NOT included in Club dues & registration fees.

#### HOME MEETS

- The Camillus Swim Club usually hosts 2 home meets each year at our home pool. We are currently working very hard to have everything in place to be able to host ONE meet this winter! This will require participation from **ALL** families to make our meet successful and desirable from visiting teams to return to. Block Party Meets may also be held throughout the season and need volunteers.
- Even if your child does not participate in the home meet, your family IS EXPECTED to volunteer your time!

#### FUNDRAISING COMMITMENT:

- As a non-profit organization, Camillus Swim Club relies on its members to help in fundraising opportunities throughout the year. Unfortunately, participation and volunteers for our fundraisers in the past few years has significantly declined, while the number of swimmers has increased. Each family will be charged a fundraising fee to help alleviate this.
- There are a few fundraising activities currently being prepared- stay tuned for more details! We WELCOME any ideas that you may have to help with fundraising!

#### CSCI CLUB SCHEDULE

#### PRACTICE TIMES

*With the reopening of our home pool, we have returned to our normal 5 days/week schedule- however, this means we need to work around the Varsity/Modified swim schedule as well as Adult Education classes and programs with the Town of Camillus. CHANGES TO THE SCHEDULE WILL BE SHARED ON THE TEAM CALENDAR AND ON FACEBOOK*

- **Daily practice times are posted on Camillus Swim Club's Calendar. Please visit the calendar often as some group practices will have to be rescheduled due to WG Modified and Varsity Swim Meets. These changes are NOT specified below.** <https://www.gomotionapp.com/team/nicsc/page/calendar#/views/month>
- Camillus Swim Club tries to remain as consistent as possible with practice times, however outside factors can disrupt our schedule. Whenever practice times require a change, or a practice needs to be canceled, we will do our best to email & post to social media as soon as possible.
- PLEASE NOTE: Any time the school has a snow day, or cancels after school activities, Camillus Swim Club is also required to cancel.

## MISSING PRACTICE

- CSC understands that families and swimmers are involved in many activities/sports away from the pool. In the event your swimmer misses swim practice due to other outside commitments, activities, or sporting events, **it is not permitted to make up the missed swim time at a later date/time or with another practice group.**

## REFUND POLICY

The Camillus Swim Club has a firm **NO REFUND POLICY** concerning annual swimming dues and registration fees for swimmers who have registered with our club.

Once a swimmer commits to the club, fees cannot be refunded due to the financial structure of the club. Our financial commitments involve annual contracts based on swimmer registrations. Camillus Swim Club is obligated to fulfill these contracts regardless of the number of swimmers we have in the water at any time.
