

Winter Session 2024

The Liverpool Jets athletes and coaches will be back poolside on a regular basis. We are thrilled to be back home in the newly renovated LHS POOL! As always, athlete and coach safety is our first priority. Training sessions will focus on rebuilding technique while bringing in the training component that will allow us to develop the endurance and abilities of our athletes in all four competitive strokes. Space is limited...but we will do our best to create opportunities for interested athletes. Questions – Contact Coach Zac 315-569-5387 or zmekker@gmail.com.
