Additional notes:

- Carefully review the Terms and Conditions for Participation in the BlueFins swim club and all documents included with registration. These will require acknowledgement during registration
- Refer to [practice group descriptions](#) for detailed explanation of each roster group and expectations as well as coach-recommended roster group for each swimmer prior to registration.
- Multi-athlete discount (\$40 per swimmer after the first swimmer) applies when registering more than one swimmer at the same time until May 31<sup>st</sup>. (College swimmers are not eligible for this discount.)
- Registrations after January 1st require payment in full.
- Trial swimmers should confer with a coach prior to registering to determine the appropriate roster group. Returning swimmers should refer to published list for appropriate roster group.
- High School / Modified registration option is not being offered this season.
- All annual memberships above are year-round. Details for registering for summer and fall prep programs for JV / Varsity high school swim seasons will be posted on the BlueFins website in May and August if programs are available.
