

MADISON AREA YMCA MARINERS FREQUENTLY ASKED QUESTIONS (FAQ)

How big the team is currently with break down of how many swimmers in each practice group?

For the 2022-2023 season, the Mariners Swim Team has 261 swimmers. The team is split into roughly 5-6 different groups, which can range from 20 swimmers total with our younger swimmers, to roughly 80 swimmers in our high school groups.

How are the try-outs conducted and generally when are they?

Generally our evaluations take place in Late June/Early July for the upcoming Fall/Winter Season, but will offer additional evaluations/tryouts in August. There is also an additional evaluation for our Spring training that takes place in Mid April. Information is posted on our TeamUnify website roughly a month in advance with dates and locations. Evaluations consist of swimmers being invited to attend a practice so coaches can assess their practice behavior, how they respond to feedback, and how they interact with everyone on the team. We may offer a Traditional Tryout depending on availability on the team, and interest level of prospective members.

How practice groups are divided, their practice schedules, price for each group?

Our Practice Groups are broken down by age groups: Red Group [8&Unders], White Group [9&10s], Gray Group [11&12s], Silver Group [13&14s], Gold/Platinum [15&Overs]. Each groups schedule is listed on our website.

Break down of when fall/winter season and spring season and summer season start and end.

Our Fall/Winter season generally starts after Labor Day, and will go until the middle, to end of, March. Spring Training runs from the middle of April until the middle of June, and Summer Training is from the end of June until the end of July. The Red, White, and Gray groups have a seasonal offering (Fall/winter, spring, summer), whereas Silver and High School swimmers registration lasts from Mid August until the end of July.

Approximate number of meets offered per month during each of the three seasons.

The meet schedule changes from year to year, as well as season to season. For the Fall/Winter season (Short Course), we offer roughly 4-6 Dual meets, 2-3 Intersquad Meets, 8-12 Invitational Meets, 4-7 Championship level meets that swimmers can qualify for (18-28 Total opportunities to swim). Some meets have requirements (ie-Age, USA vs YMCA, Time Standards) that swimmers must achieve prior to attending. For the Spring & Summer seasons, these meets are on a first come, first served basis. We host roughly 3-4 Long Course Meets, and attend 2-3 championship level meets (Total of 5-7 meets offered).

What are the age cut offs - youngest and oldest?

The ages of swimmers on the team range roughly from 6 - 18 years old.

What are the performance and experience levels for each group?

All performance and experience level expectations for each group is currently listed on our website – www.madisonymcaswimming.org

MADISON AREA YMCA MARINERS FREQUENTLY ASKED QUESTIONS (FAQ)

What are the national/regional level meets at which the team's swimmers have competed?

The Mariners Swim Team attends several different local and regional/national level meets. The YMCA 12&Under State Championships are in Toms River, NJ and the YMCA 13&Over State Championships are in Lancaster, PA. We also attend a Jr/Sr National level meet called the Sun Kissed Invitational in Charlotte, NC. Lastly, we attend and compete in the YMCA Nationals Championships that has been held in Greensboro, NC for the past few years. Swimmers who qualify for meets such as USA Futures, Winter Junior Nationals, Summer Junior Nationals, etc., are eligible to attend and represent the Mariners swim team.

What are the financial obligations besides the team fees? (equipment, social events, meet fees)

Outside of the program fees, families are expected to purchase a team suit, cap, goggles, and any equipment that is required for their practice group (fins, paddles, snorkels). Meet fees are an additional cost for swim families that vary from meet to meet. There is a \$200 MPO fee that is required for each family to help the team function. Most social events (ie- ice cream socials, pizza parties, end of the season banquet) are covered by the MPO for swimmers on the team only.
