PAYMENT SCHEDULE: Below is an explanation of this year's monthly payment system. New Members will pay a \$250 deposit payable by check at their very first practice or by registering online with their credit card; returning members will pay a \$250 Pre-Registration online or via check. The \$250 Pre-Registration will serve as September dues for all groups. Parents can then pay the balance of team dues in one of two ways:

- Opt for the Payment Plan which consists of 10 monthly payments via credit card for year-round groups (most groups) or 9 monthly payments via credit card for school year groups (Super Squad only). This payment plan will be done online thru the team website / billing system. If you choose the payment plan, you can no longer pay by check. Your credit card will automatically be charged thru the automatic website billing system on the following dates: 10/1/25; 11/1/25; 12/1/25; 1/1/26; 2/1/26; 3/1/26; 4/1/26; 5/1/26; 6/1/26; 7/1/26 (No 7/1/26 payment for Super Squad unless swimming summer. All other groups will be billed).
 - We prefer families to use the credit card online system BUT if you must pay by check, you will have to pre-pay 3 months in advance at a time by check with the first payment due 10/1/25. The next payment 1/1/26, etc.
- Please note that after October 1 of each year, if your swimmers are swimming at SCAR-WAVE, you are responsible for the entire amount of all fees since you are taking a roster spot that could be given to someone else. This includes: Membership fees, USA Swimming Registration fees, any Meets or Activities already signed up for, and the cost of any Volunteer Hours you have not worked. Injury, illness or changing your mind does not mitigate your obligation to pay ALL fees. Our experience is that most families earn all their volunteer hours. We will work with you and help you to find ways to meet your commitments. Please communicate with a board member or the Head Coach if you need assistance. If your child is promoted to a higher-level group in the middle of the year, you will be billed for the additional fees, pro-rated by the month.
 - In addition to team fees, all swimmers must be registered with United States Swimming / NJ Swimming and are responsible for USS fees & meet fees. New team members register yourself for US Swimming registration through United States Swimming's website beginning 9/1/25. For a video demo of the process ([click here](#)). For meet fees, we set up a meet escrow account for each family. Additional details are available in the team handbook.
