### **How to sign up RETURNING STUDENTS:**

Please go to the front of our website and click on the Lessons and Stroke School Sign Up Tab. This will take you to a link to your parent portal. Log in to your parent portal. You will then enroll your swimmers for the timeslot that you prefer, make your payment (see above for methods of payment). Please write your swimmers name in the memo section. Once the payment is received, I will confirm your class and your timeslot.

### **How to sign up NEW STUDENTS:**

Please go to the front of our website and click on the Lessons and Stroke School Sign Up Tab. This will take you to our online registration website. You will register your family and enroll your swimmers for the **evaluation class only**. *Do not select a timeslot class*. You will get an email telling you when your evaluation time will be. This email will not be sent out until after August 18. Please bring your cash or check (made payable to Princeton Piranhas Swim Team) payment with you to the evaluation. If we have a spot for your swimmer, you will pay at the evaluation in order to be put into the class. We cannot hold a space in the class without payment.

If you have any issues or questions, please reach out to Julie [teamswimppst@gmail.com](mailto:teamswimppst@gmail.com). The system is currently NOT set up to take credit card payments (even though it does make reference to it and apparently lets you type it in). This is a potential for the future.

Returning students get priority for signing up first. Returning students- make sure you sign up before August 17 as that is when we will start setting up evaluation slots if there is space in the classes. New students- we cannot guarantee that you will get into this session of lessons. It is very important that you sign up according to the procedure above (evaluation class only!). We use this class list (with time stamps) to determine the order that comes in for evaluations. Given the interest level we do not expect to be able to bring everyone in for an evaluation.

Thank you for your continued interest in the program. We can't wait to teach your children how to swim!
