

Las Cruces Aquatic Team Graduating Class of 2022

WILL has been swimming practically his whole life, beginning his swim journey at just 6 months old. By 2010, at the age of 6 years old, he was ready for competition and began a long swim career with LCAT. He also swam for the Las Cruces High School Bulldawgs, where he was the Team Captain for both the 2021 and 2022 seasons. His favorite stroke is backstroke. Multi-talented, Will lettered in Academics, Choir, and Swimming. The dedicated student-athlete was a member of the National Honor Society and graduated Top 10% with a 4.0+ GPA. Will is slated to continue his academic career at New Mexico State University in Las Cruces, NM where he plans to major in civil engineering with aspirations of a career in architecture. He also can't stay away from the pool and will be a lifeguard at New Mexico State University. When he has free time he enjoys snowboarding, cars, outdoor activities, and travel. What he'll miss most about LCAT: "The family-like environment."
