

## **Las Cruces Aquatic Team Photography Consent**

Las Cruces Aquatic Team may wish to take photographs (individual and in groups) of swimmers under the age of 18 that may include your child during their membership in the club. The club requires parental consent to take and use photographs or videos. Parents have a right to refuse agreement to their child being photographed.

Photographs and videos taken by the team may be used for training purposes or may be posted on the club's website, the club's social media platforms, club bulletin boards, or in newspaper articles.

All photos will be taken and published in line with the club policy that all photographs must observe generally accepted standards of decency. In particular:

- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swimsuit.
- Photographs should not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs should not be taken in locker-rooms or bathrooms.

As the parent/caregiver of \_\_\_\_\_, I make the following decision with respect to team photographs and videos.
