

SYRACUSE CHARGERS' PHOTOGRAPHY POLICIES

PURPOSE

There has been much talk about whether it is safe to have images taken of children participating in sports. While the great majority of images are appropriate and are taken in good faith, it is a fact that images can be misused and children can be put at risk if common-sense procedures are not observed.

All photographs will observe generally accepted standards of decency in particular:

- Action shots will be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots will not be taken or retained where the photograph reveals a torn or displaced swimsuit.
- Photographs will not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs will not be taken in locker-rooms or bathrooms.

Photography Consent Form

Syracuse Chargers may wish to take photographs (individual and in groups) of swimmers under the age of 18 that may include your child during their membership in the club. All photos will be taken and published in line with club policy. The club requires parental consent to take and use photographs.
