

Pool Deck Flow

We want to ensure that we are keeping everyone as safe a possible while on the pool deck.

Please make sure you review this flow chart with your swimmers prior to them arriving each day.

We will be following this flow for ALL groups.

A couple reminders:

1. All forms, PISD Waiver and Daily check form, will need to be completed prior to entry into our facility.
2. No access to locker rooms or public restrooms
3. Swimmers will need to arrive and leave in their bathing suits

Please reference the PISD Natatorium Standard Operating Procedure form.
