

## Fees and Rate Policy

- RACE **Annual** Registration: \$50.00 per swimmer.
- RACE Groups **Monthly** Tuition is listed on the Practice Schedule or in your account information at [www.rockwallaquatics.com](http://www.rockwallaquatics.com) under dues schedule.
- RISD fulltime employees receive a 15% discount on monthly practice dues. Email [rockwallswimoffice@gmail.com](mailto:rockwallswimoffice@gmail.com) if you are an employee of RISD for the discount to be added to your account.
- Monthly practice dues are capped at \$25.00 per child, after the second child in each family.
- Fees are billed on the 1st of each month. After the 21<sup>st</sup> of the month a \$10 late fee will be assessed and nonpayment can result in the swimmer not being allowed to participate until the account is brought up to date. Failure to keep dues current can lead to being dropped from the team.
- There is no fundraising commitment with RACE.
- RACE has a 20 hour mandatory service hour policy with the term August through July. Failure to meet required volunteer hours will result in a fee outlined in our mandatory service hour policy.
- RACE policy requires the continuing payment of fees even when a swimmer is on vacation or is temporarily missing practice for fewer than 2 months barring health issues with doctor's note. Deactivation and reactivation for reasons other than medical will result in re-assessment of \$50 yearly registration fee upon the swimmers return.

Please remember the following elements of our swim team policy:

- Families are responsible for all dues assessed prior to written receipt of inactivation notice.
- No refunds will be given on dues to swimmers who go inactive unless they meet the following criteria:
  - Except where swimmer or immediate family member becomes ill or injured to the extent that the swimmer will be unable to swim for at least four consecutive weeks.
- Meet entry fees will be billed upon receipt of meet entries. Payment of fees due the 1<sup>st</sup> of each month.
- A swimmer may be dropped from the program at the end of a billing cycle in cases of excessive absences or extended leave without notification.
