

REQUIRED EQUIPMENT & APPAREL

Our team is sponsored by Arena and we are committed to supporting them by exclusively wearing and using Arena brand products. All of your swimmer's equipment needs to reflect the required equipment list posted on the website under "Equipment List" located under the USA Team tab and in the TFA Parent's Handbook.

TEAM UNIFORM & APPAREL

Texas Ford Aquatics requires all swimmers to have the correct equipment at every practice. This equipment will be used to help in the teaching and training process and allow our coaches to run the most effective practices possible. Swimmers who do not have the required equipment will be unable to appropriately participate in practices.

All swimmers are expected to wear Texas Ford Aquatics caps during all practices and meets.
We encourage all swimmers to have an extra team cap.

Each swimmer receives a free cap and t-shirt annually. Below are the policies for collecting these items.

- **For swimmers that join from July 1- Apparel Distribution date in September and all returning swimmers**, these items will be distributed at our annual Apparel Day, which is usually held at the beginning of the short course (fall) season. If you do not collect your shirt and cap at the scheduled distribution time in the fall, you must purchase your team t-shirt and cap through our Apparel Director [apparel@texasfordaquatics.com].
- **For swimmers that join after the Apparel Distribution date in September-June 30**, you must email our Apparel Director [apparel@texasfordaquatics.com] within 30 days of registering with the team to collect your items. If you do not collect your items by this time, you must purchase your t-shirt and cap.
- **T-shirts are \$15, latex caps are \$7 and silicone caps are \$14.** We will invoice your account for your purchases.
