House of Delegates Meeting

Finance Vice-Chair Report

Today, we are presenting the 2021 Year to Date Profit and Loss for the LSC and a 2022 budget for approval by the HOD. As 2021 was still a very different year, with a delayed Olympic season and an ongoing pandemic recovery, and a significant return to meets and travel, our budget assumes some additional improvement from 2021 levels. As always, we can review this at the April HOD meeting to ensure it matches with the reality we are experiencing.

Audit Committee Report

The Audit Committee role, as outlined in the bylaws is as follows:

- Conduct a review or audit or recommend an independent auditor to conduct the required annual review or audit of the books of NTSI. If conducted internally, a minimum of three (3) committee members with a sufficient number of athletes to constitute at least 20% of the voting membership, must conduct the review or audit. The Treasurer cannot be a member of the group performing the audit, but can be present to provide clarification, information and answer questions.
- Submit the review or audit and other reports and make recommendations to the Board of Directors with regard thereto.

The Committee audited 2019 Financials on May 22, 2021. Many thanks to our Audit Committee. A full Recommendations Report will be made available after HOD. A summary of the outstanding Audit Findings, post 2019 Audit is as follows:

- Three (3) new recommendations were noted for 2019 regarding additional opportunities in the Meet Financials and Travel Expense processing of the LSC.
- Three (3) prior recommendations from prior audits were reviewed, re-tested and closed successfully with this audit. These were regarding Travel Form signatures, Meet Entry Reporting and keeping reconciliation records for Meet Financials.
- Four (4) prior recommendations from prior audits were reviewed, re-tested and were not closed or deferred with this audit. These had to do with the management of Budget Approvals (1) and opportunities in the Registration processes (3).

Audit Committee Report (continued)

Starting with the 2020 year, the LSC will start using a new process for Audit and Review. The new process involves carrying out both an Internal Audit AND an Agreed Upon Procedures (AUP) Review with Plante Moran, the firm with a prearranged checklist and services agreement approved by USA Swimming and now required given the size of our LSC. Plante Moran has already been engaged for the 2020 AUP Review, which will be completed by the USA Swimming Deadline in November 2021.

In today's HOD I propose re-nominating the existing Audit Committee (Barbara Roselli, Maggie Shook, Chris Rowe and Jackson Summers) to perform the next two internal Audits: a 2020 Audit to be performed in November 2021 and a 2021 Audit to be performed in April or May 2022. That will bring us to a regular schedule auditing the prior year's financial statements in a timely manner every April/May of the year following.

North Texas Swimming LSC Audit Committee Recommendations
Audit Year 2019 (performed on 5/22/2021)

General controls				
Audit Recommendations		Audit	Status	Notes
Meet Financials: - Meet financials reconciliation with payments demonstrated significant improvement over the 2018 audit and audit recommendations were followed. However, the updated process did result in some inconsistent and/or untimely meet revenue recognition and reporting. - LSC should look into further process improvements to ensure the accuracy, reliability and timeliness of meet revenue recognition and reporting		2019	New Recommendation	- Five (5) meet financials forms and payments were found to be miscategorized and were corrected in the 2019 financials. - Some meets were coded to incorrect or missing sanctions, but did fully reconcile to ledger entries under different coding.
The audit committee recommends items exceeding budget that have been approved by the Executive Board be listed in a comprehensive document.		2018	Tested - Ineffective	2019 Audit: Of six (6) expense categories tested, four (4) were over budget. Evidence of prior approval was not noted for the 4 tested.
The audit committee endorses the plan to acquire office space for the LSC. A central storage site for financial records is essential for compliance with non profit and IRS rules and regulations.		2013-2017	Tested - Adequate, with risk	2019 Audit: Newer files are stored in LSC Treasurer's CPA office. Older files are in COPS office which is subject to flooding and are therefore remain at risk.

Business process audit areas				
Audit Recommendations		Audit	Status	Notes
Travel Expenses: - Publish an updated, self-contained expense form (versus having a expense form and a formulas document seperately) indicating the policies and LSC reimbursement levels for each competition year, or leverage an equivalent electronic submission process. - Controls for expense categories should be explicitly called out to the member filling out the expense form, in addition to being checked at the time of payment. - Recommend in future all non-athlete and officer expenses be approved by a designated board member prior to payment and seperation of duties exists in all cases		2019	New Recommendation	Given travel reimbursements were a significant porton of the LSC's operating expenses this operating year, the Audit Committee recommends additional enhancements to the way policies and reimbursement levels are communicated and/or a tool should be selected that can implement the travel policy with a formal approval workflow, and perhaps even automated payment upon approval via check or ACH.
Pare down the Meet Financials Summary form to be just the amounts required to fill. Teams are completing the forms inconsistently and incorrectly.		2019	New Recommendation	The meet financials form requests more than is needed by NTSi. A simpler (perhaps also electronic) form would lead to more consistency in usage and completion.
Tax exempt status should be used when renting rooms for meetings or events		2018	Tested - Needs Strengthening	One event was held in 2019 "Officials Recert Clinic" where \$109.32 in TX state sales taxes were paid. It is now the practice of the LSC to share TX tax exempt documentation, a best practice that should continue in these situations. LSC should inspect any receipts at time of payment to ensure the organization's tax status is honored per the applicable law.
A comprehensive list of sanctions should be used and cross-referenced with the deposit date of check and receipt of Financial Summary, Fines, etc.		2018	Tested - Adequate	Paperwork was present and correct, cross-referencing complete but did not fully reconcile with original contents of General Ledger. This process allowed inconsistencies to be found and corrected for 2019 as a result of the 2019 Audit.
Revamp of the process of reconciling registration fees and the subsequent transactions from USA Swimming.		2018	Not Tested - Deferred	LSC should pursue a more electronic process with USAS given the limitations of the current paper process
All expense reimbursement forms should be signed by the appropriate member or officer to indicate approval and authorization of the expense.		2013-2017	Tested - Adequate	2019 Audit - Of the forms sampled most evidenced member, officer or swimmer/coach approval
The Team Entry Fee report should be attached to the NT Meet Financial Report in order to prove the amount of meet surcharge due.		2013-2017	Tested - Adequate	2019 Audit - All sampled meets demonstrated a completed Team Entry Fee report
Team in the LSC must provide a copy of the batch summary report with each batch submission of registrations. The Registrar should provide the Treasurer the batch summary report with each deposit of registration fees. In the event a team is using a credit balance, the Registrar should note the credit amount on the batch copy.		2013-2017	Not Tested - Deferred	Deferred in lieu of 2018 recommendation
A Registration Financial Summary form is available on the webiste and for teams using Team Unify, the software allows you to print a Cost Table. The Cost Table summarizes the registration fees for the batch.		2013-2017	Not Tested - Deferred	Deferred in lieu of 2018 recommendation

NORTH TEXAS SWIMMING OFFICIALS REPORT

Oct 10, 2021

*Kenneth Y.
Chung*

Why: Officiating core values – supporting our athletes

How:

- Safety
- Maintaining integrity of the rules
- Courtesy
- Efficiency

What: Officials supported out teams and athletes from August 1, 2020 to Oct 1, 2021, 130 sanctioned meets.

Collectively all officials together worked 4,712 session count.

NORTH TEXAS SWIMMING OFFICIAL COMMITTEE – WHAT WE HAVE ACCOMPLISHED SINCE NOV 2020

- Formed a Training and Education sub-committee chaired by Lorraine Temple
- Updated the apprentice training card to make it more consistent and dovetail N2 and N3 mentoring and evaluation template. Admin officials and Meet referee to be finalized.
- Launched North Texas Officials Development and Succession planning program
 - Sent out survey to identify individuals who are interested to advance
 - Next step is to formulate development plans for officials who are interested to advance
 - Maintain a pipeline of officials interested in advancement
- Hosted two N2 and one N3 OQM meets.

TRAINING & EDUCATION

Observations:

- Despite the impact of COVID, we have a small net gain of number of registered officials
- Outside of the 16 Unattached Officials, the remaining 202 officials are attached to a team mostly because they have swimmers with the teams
- The ties of Officials are strong with Teams
- Officials committee provides the officiating expertise and process, in support of teams and athletes in North Texas

We need Teams' help and ownership to make sure we have adequate number of quality officials to support our athletes to have a safe and fair competition

Aspirational goal: ask all visiting teams to bring officials

LOOKING FORWARD

- Be a mentor and recruiter, multiply the talents and skills ($4 \times 4 = 16$; $4 + 4 = 8$)
 - A lot of mentoring activities going on
 - Consider formalize a mentoring program (Colorado Swimming) to compliment our Officials Development program
- Increase our number of officials while maintaining the high quality of officiating
- Planning for OQMs- COR Classic (GISD 12/3-5), King Marlin (WAC 12/16-19), Greater Southwest Invitational (GISD 1/27-30)
- Implement a new certification recognition program
- Continue to support our officials to support our athletes
