

October 2025

To Whom It May Concern,

The Buffalo Swimkins Synchronized Swimming club is working with USA Artistic Swimming to host the Junior Nationals Competition April 10-14, 2026 and the 13/15 Nationals Competition April 24-27, 2026. The event will be held at the Burt Flickinger Athletic Center at the City Campus of Erie Community College. This event will showcase athletes from all across the United States who will be staying in the area for the week.

Buffalo Swimkins are working with local area businesses and restaurants to supply food and drink for the coaches and judges during the event. There will be approximately 60 people in these groups. We will be supplying coffee, lunch and snacks to the group throughout the week. We would like to showcase the Buffalo area and all it has to offer to the other clubs, athletes and their families who will be visiting from other parts of the country.

Now, more than ever, we are seeking sponsorships/donations to assist in defraying expenses which will help our sport to host events like these for our athletes.

If you are interested in donating drinks, snacks or food, please contact us at the information below and we will be happy to coordinate with you.

Thank you for supporting our athletes and our sport!
