January 2026

To Whom It May Concern,

The Buffalo Swimkins Synchronized Swimming Team is working with USA Artistic Swimming to host the Junior/Senior Nationals on April 9-13, 2026 and the Youth & 12U Nationals on April 23-26, 2026. These events will be held at the Burt Flickinger Athletic Center at the City Campus of Erie Community College. Both events will showcase the top athletes from all across the United States and who will be staying in the Buffalo area for the week. Buffalo Swimkins are working with local area businesses and restaurants to supply meals and drinks for the coaches and officials during these events. There will be approximately 60 people in these groups. We will be supplying coffee, lunch, and snacks to the groups throughout both weeks.

We would also like to showcase the Buffalo area and all it has to offer to the teams, athletes, and their families who will be visiting from other parts of the country. Now, more than ever, we are seeking sponsorships/donations to assist in defraying expenses, which will help our sport to host events like these for our WNY athletes. If you are interested in donating drinks, snacks, or food, please contact us using the information below and we will be happy to coordinate with you.

Thank you for supporting our athletes and our sport!
