

2024 NEW YORK STATE CHAMPIONSHIPS YMCA

EVENT DESCRIPTION

The prestigious YMCA New York State Championship competitions are coming to Long Island from Friday, March 15th, through Sunday, March 17th, 2024. This popular and prestigious 3-day meet attracts top swimmers, ages 5-19, from around the state. They must qualify in local competitions for the opportunity to travel to Long Island.

Joining these future collegiate and potentially Olympic-level swimmers are their families and friends, who support them by attending events at the Nassau County Aquatic Center at Eisenhower Park. The competition will include approximately 800 swimmers and it is projected that upwards of 1,500 spectators will be in attendance daily. The meet is cohosted by the Barracudas of the Cross Island YMCA, the Flyers of the Flushing YMCA, and the Bluefish of the Huntington YMCA.

The Nassau County Aquatic Center is the largest single tank Olympic sized pool in the Northeast. The state-of-the-art facility has been site of the 1998 Goodwill Games, women's and men's NCAA Division I Swimming and Diving Championships, and the FINA Swimming World Cup.
