

Orinda Aquatics Parent Code of Conduct

The purpose of a code of conduct for parents is to establish consistent expectations for behavior by parents. As a parent/guardian, I understand the important growth and developmental support that my child's participation fosters. I also understand that it is essential to provide the coaching staff with respect and the authority to coach the team. I agree with the following statements:

- I will set the right example for our children by demonstrating sportsmanship and showing respect and common courtesy at all times to the team members, coaches, competitors, officials, parents, and all facilities
- I will get volunteer and support the team as needed
- I will refrain from coaching my child during practices or meets. I will address any performance or progress-related questions to my swimmer's assigned coach.
- I will respect the integrity of the officials
- I will first direct any concerns to my swimmer's assigned coach and then, if not satisfied, to the Head Coach or the Board, as appropriate.
- I will have positive and productive dialogue with my child as relates to the team philosophy and long-term development
- I will familiarize myself with the Orinda Aquatics Handbook, as it relates to parents policies and procedures

I understand the above expectations and that my failure to adhere to them may result in disciplinary action.
