- In order to be on the team for the season, all swimmers must commit to swimming September-March and their Championship meet if applicable at (SWOYSL Champs, Junior Olympics, or YMCA Nationals).
- If a swimmer decides to leave the team mid-month before November 1 for the winter season or May 1 for the summer season, they are still responsible for the monthly fee for that month.
- If a swimmer decides to leave the team after January 1 for the winter season or June 1 for the summer season, they are still responsible for fees for the remainder of the season.
- Effective July 1, 2019 – All fees billed through the YMCA that are returned for insufficient funds will be charged a \$20 returned payment fee. This is not a fee charged by the Y or the team. This fee is charged by the company that does the billing for the Y.
