## Age Group Coordinators Needed

We are looking for parents that are willing to coordinate one out of the pool event per season for each age group. Last month, the swimmers 11 and older met for a bowling party, and we would like for all age groups to be able to participate in similar events. If you have ideas for fun and exciting activities for your swimmer and their teammates, we would love to have your help!! Please contact someone on the MCY Parent Activities Committee.
