Congratulations to those swimmers who have finished their season by swimming at the 'A' Championship meet in Lebanon. There were many personal bests and several 'AA' cuts. Hard work and dedication to the sport and the team were evident from our swimmers. Technique and endurance have improved across the team with friendships made and lots of fun had by all. *Way to go Marlins!!*

We're still looking for pictures to use at the end of season banquet for a slide show as well.

If you have pictures you would like to share, please send them to Julie Newcomer at jnewcomer3@msn.com for the banquet, or to Coach Pam at headcoach@swimmcy.com.

Thank you for sharing!!

THANK YOU! THANK YOU! THANK YOU!

We would like to thank many of you again for all your help in our meet early in February. Parents and swimmers (most swimmers 11 and up) worked in numerous arenas to make the meet go smoothly. We had volunteers working in the coaches' room, pool room and bull pen. They were also outside helping with parking, by the pool as relief timers and heat winner prize distributors, and some ran necessary errands while others helped to set up and clean up for the invitational. We couldn't run a meet without all of you. THANKS AGAIN!!

This meet is our one and only fundraiser for our team's season. We use the funds gained from this meet for a variety of necessary items from year to year such as lane line reels. The MPAC also agreed to purchase MCY swim caps for all swimmers, pay for the fall hayride and purchase pizza for movie night.

Blue & Grey Challenge Accepted!!

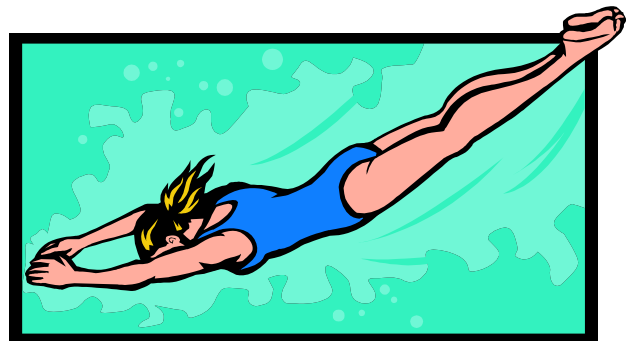

The following Marlins have accepted and met the Blue & Grey Challenge:

Ezekiel Fulton, Matthew Newcomer, Aaron Carmack, Alexander Klint, Jack White, Gabriella Fulton, Mitch Orozco and Corinne Tisher

This means they have completed some very long distance swimming events in meets like a 500 freestyle or a 400 IM among other events. Very impressive accomplishment!!

"The dictionary is the only place that success comes before work. Hard work is the price we must pay for success. I think you can accomplish anything if you're willing to pay the price."
