

SEAWOLVES PHOTOGRAPHY POLICY

The following is a model procedure provided to assist USA Swimming member clubs who wish to develop a club photography policy. A club photography policy is not required by the Safe Sport Program, but clubs who wish to implement one may use the following as a resource.

PURPOSE

There has been much talk about whether it is safe to have images taken of children participating in sports. While the great majority of images are appropriate and are taken in good faith, it is a fact that images can be misused, and children can be put at risk if common-sense procedures are not observed.

Photo Policy

1. A parent or guardian has a right to refuse to have children photographed. The exercise of this right of refusal cannot be used as grounds for refusing entry into a swimming competition. Therefore, any photo that may go to press or on a notice board, be it through a member of the club or official photographer, should receive parental consent before publishing/displaying the photo, preferably in writing. A suggested form allowing parents to indicate refusal of consent is to follow.

In the case of open meets and other competitions where the host club has an official photographer present, all parents attending should be made aware of this in your meet information. If photos are to be published anywhere, the individual parent should be given the opportunity to withhold their consent. Their right to do so should be specifically drawn to their attention.

All photographs must observe generally accepted standards of decency in particular:

- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swimsuit.
- Photographs should not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs in or near locker rooms are prohibited

SEAWOLVES Photography Consent Form

SeaWolves may wish to take photographs (individual and in groups) of swimmers under the age of 18 that may include your child during their time as members of the club. All photos will be taken and published in line with club, Ohio, and USA Swimming policies. Mercy HealthPlex SeaWolves requires parental consent to take and use photographs.

Parents have a right to refuse agreement to their child being photographed.
