Silver

- **Isabella Anton** – Isabella had a great first meet as an OSSC member! She achieved her first three JO cuts and had best times in all her events, including a 24-second drop in the 200 IM. Great job, Isabella!
 - Shout-outs: **Kaitlyn Sims** and **Darden Spychalski** – both achieved their first JO cuts!

Gold

- **Will Elsrod** – Will had many best times, even in some events that he swam at JOs!

Platinum

- **Janessa Mathews** – In her first meet of the Long Course season, Janessa broke all four breaststroke meet records, won two gold medals and got within a tenth of a second of getting her very first USA Sectional qualifying time in the 100 Breaststroke as a 12 year old.

Senior

- **Reeve Lambert** – He attacked each swim and applied practice changes to the meet.

National Team

- **Hunter Cook** – Hunter swam an array of events and competed very well throughout the weekend. He finished as the runner-up in the 15 & over high-point standings to a future OSU varsity swimmer. Hunter's incredible work ethic and innate abilities have led to his remarkable development and versatility in the pool. He is just beginning to realize how good he can be in this sport!
