SWIMMERS OF THE MEET

Novice

- **Camdyn Price** – Between the John Bruce Memorial and the Thanks for Giving, Camdyn dropped time in 3 events and had awesome dives in every event!

Bronze

- **Hudson Williams** – Great starts and spikes and some life time bests.
- **Gryffin Hauenstein** – He had huge time drops!
- **CJ Arledge** – She had fantastic walls and a lifetime best.

Silver

- **Riley Huddleston** – Riley had a great meet with best times in all her events including a 5-second drop in her 100 Back! Great job Riley!

Gold

- **Jared Davis** – Getting his first JO cut in the 50 breast and for going under 30 in the 50 free for the first time with a time of 28.81!
- **Jamie Holden** – Had an all-round awesome meet dropping time across the board but in the 50 freestyle went a 27.0! An amazing accomplishment and well on her way to achieving her 50 freestyle JO cut!

Platinum

- **Spencer Tussing** – Spencer had several best times and won the majority of his events, which resulted in him winning the Thanks for Giving 11-12 year old High Point Award.

Senior

- **Logan Jordan** – Logan swam well throughout the meet. He is constantly improving his technique and his stroke tempo in practice which is definitely carrying over to meets. These improvements will definitely help Logan in future swims.

National Team

- **Rachel Politi** – Rachel had a lifetime best in the 500 free, which is a rare feat this early in the season! She also had a great 200 fly and paced her 400 IM very well. Rachel's increased confidence will serve her well in her championship meets.
