SWIMMERS OF THE MEET

Novice

- **Greta Tew & Hailey Hill** – I selected both of them for having amazing races and dropping time, in addition to showing me that they remembered all of the technique things we worked on this week!

Bronze

- **Henry Whitman** – Henry had great improvements on technique which got him within tenths of a second of his first JO cuts!

Silver

- **Ben Little** – Ben dropped time in seven events including a 12-second drop in his 100 back. He placed in the top 11 in all of his events. Good job, Ben!

Gold

- **Jason Orr** – Jason was very competitive throughout the entire weekend and achieved several JO cuts.

Platinum

- **Max Dreisbach** – Max placed 1st in the 100 back, achieving a JO cut. He also raced well in his other events.

Senior

- **Sara McClaskey** – I chose Sara for nearly achieving personal bests and continuing to improve her race strategy this weekend.
