Silver

- **Ava Lachey** – Ava had a great meet with many best times and even broke two meet records! Way to go, Ava!
- **Andrew Levine** – This was Andrew's best meet so far with the OSSC. He did a great job racing and it showed with all his great time improvements!

Gold

- **Bridget Parker** – Bridget dropped time in all of her events. In addition, she achieved JO cuts in the 100 & 200 breaststrokes as a newly turned 13 year old!
- **Carson Cross** – Carson had a great meet and dropped a lot of time in several events. He got very close to a JO cut in the 100 breast! He has made great improvements since joining our team!

Platinum

- **Calvin Furbee** – Calvin made Finals in all of his events and placed in the top 8 in all of his events. He swam to 18 personal best times which included several JO cuts and two Zone Cuts. It was definitely one of Calvin's best meets of the entire season.
- **Jacob Eismann** – Jacob dropped tons of time in all of his events. He qualified for more JO events and Zone cuts, and he made Finals in all of his events. It was one of Jacob's best meets of the entire season as well.

Senior

- **Colin Reardon** – With a full slate of events, Colin was able to swim near lifetime bests. Colin also achieved numerous sectional cuts and qualified for finals in several events. Great job, Colin.

National Team

- **Rachel Politi** – Rachel was on fire this weekend! She swam to multiple best times, Sectional cuts, and top 10 finishes. She's getting closer and closer to her Junior National cuts.
- **Ellie Nebraska** – Like Rachel, Ellie swam to several new best times over the weekend. She joined the sub-minute club in the 100 free and sub 28-second club in the 50 free. Her improvement on the fly and breaststroke legs of her IM led to a huge time drop and Sectional cut in that event.
