Teagan Price

Logan Lawhorn  
Elyse Bergmann  
Sydney Boone-McDougall  
Jada Heren  
Rylee Kreinbrink  
Riley Huddleston  
JJ Rennie

### SWIMMERS OF THE MEET

#### Silver

- **Chase Swearingen** – Chase had an amazing meet, breaking multiple meet records as well as the state record in the Boys 10&U 100 back! Way to go, Chase!
- **Jada Heren** – Jada had an awesome meet with big time drops across the board. She has been working on her race strategies and it showed! Great job, Jada!

#### Gold

- **Teagan Price** – Teagan competed in her last meet as a 10-year-old and went out with a bang! Teagan was the high point winner, as well as getting individual wins in the 50 and 100 breaststroke. Teagan has been working hard to adjust to the new training of the Gold group and is doing an awesome job!
- **Riley Huddleston** – Riley had a great meet with personal bests in all of her events. Additionally, Riley had some incredible swims in the 50 free (24.7), the 100 free (53.6) and in the 200 free (1:59.1). Riley has been working very hard to expand her speed into the 100 free & 200 free and she met that goal this weekend. Congratulations, Riley!

#### Platinum

- **Johnny Belli** – Johnny had an amazing weekend in Oxford. He qualified for finals in every event and swam to 9 personal best times, including several JO cuts and a few Zone cuts. Keep up the hard work!
- **Macey Swearingen** – Macey got best times in 6 of her 7 events. She qualified for finals in all of her events and got her very first USA Swimming Sectional qualifying time in the 100 back (1:00.11). Congrats, Macey!
- **Carli Frey** – Carli swam to all best times, dropping tons of time in her 7 events. On the last day of competition, she qualified for states with her first JO cut in the 100 back. Keep up the hard work, Carli!
- **Leah Stamm** – Leah had her best swim meet of the season, swimming to 8 personal best times out of 9 individual races, which included her swims in Finals. She achieved several JO cuts, Zone cuts and inched closer to her first Sectional cut.

#### National Team

- **Kate Saczawa** – Kate had a very challenging weekend, but I chose her as SOTM because she responded so well to those challenges. Kate had to scratch her Saturday Final events due to sickness; she was also disqualified in the 100 free after swimming to a new best time. But despite those setbacks, Kate swam to best times in all of her other events. She dropped a significant amount of time in her 50 free, 100 fly, and 100 back, placing well in all of those events.
- **Spencer Tussing** – Spencer continued his torrid swimming, as he set new best times in the 50 free, 100 free, 100 fly (achieving a NASA JNAT cut in the process), and 1000 free (dropping 51 seconds along the way). Spencer won three events, placed second in two events, and fourth in another. Spencer pushes himself in practice every day, and his attention to detail has paid huge dividends.
