SWIMMERS OF THE MEET

Bronze

- **Sergio Suarez** – Sergio in total this weekend dropped 20 seconds in his events! He missed qualifying for JO's in the 50 backstroke by .41! So close! It has been so much fun seeing him improve this year. Keep up the fantastic work, Sergio!
- **Jada Heren** – Jada is now up to 7 individual events for JO's! This kid can't be stopped! The most impressive swim of the weekend was her 200 IM, where she dropped 15 seconds from her prelim swim that morning, capturing her JO cut! Look for that girl on a box of Wheaties!
- **Honorable Mention:** Grace Gabriel, Nick Ferola, and Gryffin Hauenstein all had fantastic swims this weekend as well!

Silver

- **Sarah Beavers** – Sarah took ownership of her training this season and the hard work paid off! She had all best times with a cumulative improvement of 23 seconds. I look forward to seeing where this new self-confidence takes her. Great job, Sarah!
- **Molly Sawyer** – It was exciting to watch Molly achieve her first ever JO cut this weekend, which I know has been a thorn in her side since she was 10. With all the ups and downs over the last two years, Molly fully dedicated herself and kept the goal in focus. I can't wait to see her continue to grow! Way to go, Molly!

Gold

- **Annie Voelker** – Annie had an amazing weekend! She dropped time in all of her events and got not 1, but 4 JO cuts!
- **Andrew Levine** – Andrew dropped time in all of his events this weekend. He obtained 4 more JO cuts and is now able to swim 5 total events at JOs!

Platinum

- **Bridget Parker** – Bridget was on fire all weekend long at Regionals. She swam to all best times and added 5 more JO qualifying times to the 4 that she already had. She also got a Zone cut in the 400 IM.
- **Jared Davis** – Jared had his best swim meet of his career at Regionals, taking his talent to a whole new level. He had all best times and swam to 3 JO qualifying in the 100 Breast, 200 Breast and the 50 Free as a 13 year old.

Senior

- **Nicholas Chugh** – After coming off a successful high school season, Nicholas was able to come to Regionals and improve upon his success. Nicholas was able to go Lifetime bests and achieved two additional JO Cuts. Awesome Job, Nicholas!
- **Andrew Shyu** – Andrew returned from the high school season and was able to achieve additional JO cuts while swimming lifetime bests. Great Job, Andrew!
