**OSSC Swimmers of the Meet**

**SWIMMERS OF THE MEET**

Senior

- **Alli Mcfarland** – Alli works hard each and every day at practice and she is not afraid to challenge her teammates at any time. This hard work and determination showed this weekend. Alli was able to swim close to lifetime bests and even dropped 5 seconds in her 200 FL for a best time. Keep up the great work, Alli!

National Team

- **Max Dreisbach** – Max had an excellent meet to begin the competitive season! He swam four races and was very consistent. Max does a great job of applying practice changes to his races, and all of his improvements this season were on display at the meet. Max even had a best time in the 200 IM, which was remarkable. Great start, Max!
- **Mia Brown** – Mia was extremely competitive in all four of her races – she even swam to two new best times in the 200 fly and 100 breast! As I always advise my swimmers, Mia swam to her strengths: she was very good with her up-front speed and underwaters. Way to go, Mia!
