SWIMMERS OF THE MEET

Bronze

- **Luke Zimpfer** – At every meet we go to, Luke continues to impress me! His stroke technique and racing ability have improved so much since the beginning of the season. This weekend he dropped time in all of his events, including 5 seconds in the 25 breast, and 7 seconds in the 100 IM. Keep up the great work, Luke!
- **Carrie Furbee** – Carrie also has been working very hard lately, and it shows! She had many personal best times over the weekend, including a 5 second drop in the 50 free, and 6 in the 25 breast. Well done, Carrie!
- **Cierra Carpenter** – Cierra had a great weekend! She dropped time in all of her events, most notably a 15 second drop in the 100 back, and over 9 seconds in the 100 IM. Nice job!

Silver

- **Emma Beavers** – Emma did a great job stepping up and racing the swimmers in her heats! Her competitive effort resulted in all best times and a lot of heat winner ribbons. Keep it up, Emma!
- **Julian Cherok** – Julian has been working really hard in practice and that hard work is paying off! He had all best times, including a huge drop in the 100 IM. Way to go, Julian!
- **Blaine Huddleston** – Blaine also had all best times this weekend, while achieving her first JO cut in the 50 back. Blaine is beginning to gain confidence in herself and I can't wait to see what she continues to do!

Gold

- **Lindsey Rush** – Lindsey had a great meet! She dropped time in all of events but 1. She also got under a 29 in the 50 free. Lindsey also consistently works hard in practice. Congratulations, Lindsey!
- **Marie Belli** – Marie dropped time in 4/6 events this weekend. She had a 2.5 second drop in the 100 fly, which also earned her a JO cut. Marie had a great attitude & work ethic in practice each & every day! Great job, Marie!

Platinum

- **Carson Cross** – Carson had a great meet. He swam to all best times except for one. He continues to improve on his techniques for all four strokes and works very hard every day at practice. Congrats! Keep up to the hard work, Carson!
- **Kaylee Preble** – Kaylee continues to stay focused on all of the little things to make her strokes faster and more efficient. She has focused on improving her breaststroke, which is currently her 4th favorite stroke. It has also helped her improve her IM events. Kaylee dropped nearly 4 seconds from her 200 IM this weekend and her breaststroke was one of the main reasons. Congrats, Kaylee! Keep working hard!
