### SWIMMERS OF THE MEET

#### Bronze

- **Maura McGrath** – Maura is off to a great start this season! She dropped time in all of her events, including a 31 second drop in her 100 back. Keep up the great work, Maura!
- **Mailyn Price** – Mailyn has become a very confident competitor. She dropped time in most of her events, including an 8 second drop in her 100 back and a 5 second drop in her 100 free. She also placed top two in all of her events. Great job, Mailyn!

#### Silver

- **Ella de Mesa** – Ella had a great first meet! She had almost all best times, including a 7 second time drop in the 100 IM! She approached each race with a positive attitude and wasn't afraid to go out and race! Great job, Ella!
- **Jaron Schwartz** – Jaron started the season off with a bang! He went a personal best in the 100 IM, 50 back and 50 fly! He executed his race plans and paid attention to the details. Awesome job, Jaron!

#### Gold

- **Ashlyn Morr** – Ashlyn is new to OSSC and she was the highest scoring female OSSC Gold swimmer in the 11-12 age group. She had a fantastic first meet achieving best times in the majority of her events including over a 5 second drop in the 200 IM. She really made a difference with her racing focus and she gave a great effort in everything she swam. Great job, Ashlyn – welcome to the team!
- **Yuriy Gorobchuk** – Yuriy is also new to OSSC this season and so far he's really bringing the effort. He had significant time-drops in most of his events and he even came away with an event win in the 100 free! He's already making his own difference in practice and he's also brought with him a great competitive spirit that'll help boost all. Congratulations, Yuriy! Glad you're with us!

#### Platinum

- **Mya Slones** – Mya had a great meet in Dayton, achieving the top score of all 11-12 girls in the age-group! She had a total of 6 1st place finishes and stayed consistent with her best times despite recent obstacles. No matter where Mya is in her training she always likes to race hard and at this meet her competitive spirit prevailed! Way to go, Mya!
- **Spencer Arnou-Rhees** – Spencer was the highest OSSC point-earner in the boys 13-14 age-group. Always willing to get up and race, Spencer had several best times along with some great challenges in his breaststroke, butterfly, and IM events. Awesome, Spencer – keep up the good work!

## Senior

- **Kaitlyn Sims** – Kaitlyn had a great meet. She has been working extremely hard in practice to improve her efficiency of her stroke/technique and it showed this great weekend. She was able to make adjustments during the meet and it help her improve in every event!

## Pre-Season HS

- **Aaron Chen** – Aaron has been doing an awesome job daily in practice and that was able to carry over to the meet this weekend. He swam very well in all of his events and is on track to have a good season!

## National Team

- **Macey Swearingen** – Macey had a solid meet to begin the season. She competed well with the unique format of the meet. Macey has been able to push herself more this season at practice, and that is already paying dividends. She has made great changes to her backstroke and underwaters, so I'm excited to see how that translates into competitions. Great start!
