SWIMMERS OF THE MEET

She started off the meet with a drop in the 100 fly and didn't look back. She led off the 400 free relay in a lifetime best, dropped over a second in her 100 back for a lifetime best, which has seen a steady improvement since August. She then dropped over 3 seconds in her 200 fly where she made it back to finals. Awesome season, Alli!

He started off the meet with a big 13-second drop in the 1650 free. He continued to take down his previous bests throughout the weekend, dropping 8 Seconds in the 400 IM, going best times in the 100 breast, 200 IM, 100 fly, and 100 free. Great way to finish the season!

He started off the meet with over a 2-second drop in the 100 fly; he qualified for finals and then dropped more time. He then went best times in the 100 breast, 200 IM and 100 free, where he dropped over 2 seconds! Amazing job, Lonnie!
