**Silver – Logan Lawhorn.** She achieved her first JO cut in the 50 Breast! She had other great swims, but didn't have many previous times to compare.

**Gold – Jordan Aurnou-Rhees.** She achieved JO cuts in three of her six events over the weekend! She also achieved personal bests in four of her six events, including an almost four-second drop in her 100 free.

**Platinum – Sydney Brault.** She had a great meet and improved in almost all of her events. She dropped several seconds in her 200 back.

**Senior – Eddy Cordek.** He achieved a best time in his 100 fly, and he supported his teammates very well throughout the weekend.

**National Team – Hunter Cook.** He achieved lifetime bests in four of his six events. He swam two events – the 200 breast and 200 fly – for the first time with great results! His 200 breast was over 31 seconds faster than his converted best LC time. He also did a great job cheering for his teammates.
