## Our Swimmers of the Meet are:

**Bronze – Ava Row.** She had lifetime bests in all of her events!

**Silver – Jessica Tomastik.** She had best times in the majority of her events. She also swam the 200 breaststroke for the first time!

**Platinum – Grace Hoover.** She has consistently dropped time in the majority of her events throughout the first 4 meets of the season, especially this weekend at the Katy Callard Meet in Worthington. Her hard work in practice and desire to improve her swim technique is paying off.

**Johannes Kabelka.** Hans went three for three in swimming personal best times this weekend; picked up a few more JO cuts to add to his collection; and just missed breaking the minute barrier in the 100 free by 2 tenths of a second.

**Jason Boothman.** Jason swam personal best times in all of his events this weekend. Every meet this season so far Jason has dropped time in almost every event he swam. His positive attitude at meets and hard work at practices is definitely showing in his races for the team.
