She made it look easy and can't wait to see her swim it again. Nola has made tremendous growth this season and excited to see what the championship season brings for her!
- **Sophia Sullivan** – Sophia improved her times in almost every event she swam in at the TYR meet. It was amazing to see her time drops on Saturday but then to return on Sunday and swim longer events and drop even more time in each event was awesome!! Sophia has put 100% effort into not only being a great swimmer, put a wonderful teammate as well.

#### Silver
