

**Powel Crosley, Jr. YMCA
Tigershark Swimming Team
Practice Levels
Equipment List**

All swimmers competing for the Powel Crosley, Jr. YMCA Swimming Team must purchase a Speedo Team Suit and agree to wear a team cap in all warm-up sessions and meet competitions. Team suits are to be worn in all competitions by all swimmers, no exceptions. A Speedo "speed/tech" suit may be substituted at a team championship meet. Team caps are to be worn in all meet warm-up sessions and team competitions. Caps must be worn in all warm-up sessions. The cost of the suits and personalized team caps are additional costs to the registration fees.

A team Spirit Shirt will be distributed in the fall at no additional cost. These shirts should be worn at all Sunday Meet Sessions and will be part of the National Team Uniform. Parkas, Team Sweat Suits and additional team shirts are available but not required.

The appropriate practice group, listed below, requires the following equipment list. Swimville USA will be at PCY in early fall to sell these items.

All Groups – All swimmers must have a time record system. This may be a Best Time Booklet, available from Swimville USA or a simple notebook. All swimmers are required to record, keep track and know their own times.

Swimmers are responsible to have all equipment at daily practice sessions after the Team Fitting. They are responsible for proper care and storage for all equipment. Names should be clearly written, with permanent marker, on all equipment. The YMCA has no secure storage for this equipment. Swimmers are storing equipment at the practice site at their own risk. This is not recommended.
