

Springfield Family YMCA Swim Team

Short Course Swim Season: September – March

Long Course Season: April to July

WELCOME to SPYNATION

Our Springfield Family YMCA Swim Team aka SPY is an outstanding competitive YMCA youth sport program. To be a Y competitive swimmer, your child must be a Springfield Family Y member to participate on our SPY Swim Team.

NEW Swimmers may try out our team for ONE week so you may assess if our Y program is a good choice for your child. We encourage any potential **NEW** Swimmer to arrange a swim evaluation with our SPY Coach. The swim evaluation provides your child a chance to meet and chat with one of our coaches, plus allow your child to be assigned to the best training group to permit a positive development in their sport of swimming. You may contact Head Coach John Bishop at our Y for more details: [\(937\) 323-3781](tel:9373233781)
