# Important Information

## PLEASE READ CAREFULLY:

### **Swimmer Assessments:**

You may have noticed Instructors doing assessments during the last couple of weeks. These are not report cards but are tracking sheets so we can see how the swimmers are progressing. We use this for planning and for group move ups. Instrcutors will do this again in late February/early March. Swimmers will get a formal report card in May/June.

### **Group Moves:**

We have very few spaces available in the TOP Ten Program ( swimmers 6-10 years ) and the Junior Jets Program ( swimmers 11 and 12). This week we will be emailing any swimmers who are ready to move up. If you receive the invitation to move we will need a quick reply so that we can fill all the spots and update all the rosters before the office closes for the Holiday Break. It will take about a week to contact everyone so please be patient. If you do not hear from me (Susanne) by Saturday December 20th it means your swimmer may not be ready or we ran out of space.

### **Uniform & equipment:**

By now all orders from Ontario Swim Hub should have been received. All WAVE and WAVE Plus Swimmers need to be wearing the Custom MSSAC Swim suit to all practices and meets.

### **Holiday Clinics:**

All regular MSSAC and WAVE programs take a "break" during the December School Break but we offer numerous camps and clinics for all groups. This year we are able to offer Dives and Starts Clinics for the WAVE groups. We are offering 2 clinics on Friday January 2 at the Clarkson Pool - the information and on line sign up is posted on the EVENT page of the MSSAC Website.

### **Office Hours:**

The office will be closed Tuesday December 23 to Sunday January 4 Inclusive. Brian and Susanne will check emails during this time.
