

2024-25 BCST Tryouts

If you are interested in joining BCST for the 2024-25 season, you can make an appointment for a tryout with Coach Dwight at DwightA@bellevueclub.com. We will run our tryouts through July, and announce our rosters in early August. Tryout appointments are available on weekday afternoons.

Roster spots are on a space availability basis. To be a member of BCST, you must also be a member of the Bellevue Club; however a Bellevue Club membership does not guarantee a roster spot on the team.

Bellevue Club Swim Team is widely regarded as the premier swim club in the Pacific Northwest. This past season BCST won the team championships at the 2023 PNS Age Group Championships, 2024 Age Group Regionals, and 2024 Northwest Sectionals. Multiple swimmers from our team are competing in this summer's Olympic Trial meet, and our Head Coach Abi Liu was selected as a coach for this year's USA World Championship team. The coaching staff is among the most experienced and respected in the area. Bellevue Club Swim Team benefits from our outstanding club, which includes a 25 meter pool, a 25 yard pool, and top notch dryland facilities. Come tryout and see for yourself!!!
