

# **New BCST Family Information Sheet**

**01** Workshare Obligations (# of hours is dependent on assigned group) need to be met each season in order to avoid a monetary fine. This is the best way to be involved in the sport, show your love and support to your children, and be a part of the greatest community. It takes a village to run a swim meet.

**02** Beyond Family Registration, PNS Registration, and Training Fees your swimmer will incur charges from the Host team as they enter swim meets and that charge is taken from the CC that you put on file during the registration process.

**03** Be sure to read and understand the BCST Code of Conduct.

**04** No parents on deck please, the best place to view a practice is upstairs in the viewing area overlooking the pool.

**05** BCST discourages outside private lessons. BCST provides the highest quality of coaching and lessons.

**06** Swim team members are not permitted to use the lap lanes in the competition pool, rec pool, family swim area, and the hot tub during team practice hours.

**07** All BCST members should use "Boys" & "Girls" locker-rooms only.

**08** Please remember that by becoming a member of BCST and acknowledging the BCST Code of Conduct your swimmer and your family are agreeing to follow all BCST team rules.
