

BCST: 2023-2024 Training Fee Schedule

The Bellevue Club is a private club; however the swim team is comprised of both members and non-members (affiliates). Training fees are separated into two categories: Members and Affiliate Members.

TRAINING FEES: Training Fees include the administrative costs, coaching, relay fees and facility costs. Training Fees are composed of a family registration fee and six (6) payments. They are billed by the Bellevue Club at the **end of each month for the first six months of the swimmer's participation** (usually September through February, with payment due October through March). Swimmers who join the team mid-way through the season will be on a different six-month schedule and will have their fees prorated.

The Family Registration fee and Training fee payments are **payable to the Bellevue Club**. They may be mailed directly to the Bellevue Club Business Office or deposited in the "Membership Payments" slot by the Athletic Entrance. **Do not combine Training Fee payments with any other payments.**

PLEASE NOTE: The Bellevue Club does consider the Family Registration Fee and Training Fees as retail sale items and will apply sales tax (approximately 10%).

Bellevue Club Members					
Training Group	Booster fee \$75	Family Registration Fee	6x Monthly Billings due Oct – March Training	Total Monthly Billings	Total Annual Fees

* **NOTE:** When more than one swimmer per family participates, total fees increase only by the monthly billings due October through March and the USA Swimming Registration fee plus the BCST Boosters admin fee.

-Families with multiple swimmers will receive additional 5% discount, 1st child: 100%, 2nd child: 95%, 3rd child: 90%...

-College swimmers: will pay monthly dues when training with BCST program; must commit to one end of season championship meet.

-The Family Registration Fees and Training Fees are not refundable.

Should a swimmer decide to drop the program for any reason during the course of the season, **a written memo must be emailed or delivered to the head coach.** Monthly billings for all fees (Training fees) will continue thru the **end of the month** that such written notification is received by the head coach.

-Fees must be paid on time for swimmers to remain in good standing. Swimmers not in good standing will not be allowed to train.

-BCST Dryland Training: An optional BCST Dryland training program available to Champs, Regional, Senior Prep and Senior swimmers will be billed separately from the training fees. National Group and Senior Performance swimmers are required to participate in the dryland program and all will be billed. Please inquire with the coaches of your training group.

BCST Booster Club Billing

All USA Swimming Registration fees, swim meet individual event entry fees, apparel, certain social activities and travel trip expenses will be managed by the BCST Booster Club through our team website. Please review the table below for the breakdown of billing sources. All swimmers are required to register with USA Swimming. USA swimming is our team's governing body and provides insurance to all members.

Credit Card charges by BCST Boosters	Billing by Bellevue Club
\$60 BCST Booster fee - charged at time of registration	\$250 registration fee per family- billed on first Bellevue Club bill after registering for team
Meet entry fees- charged at time of meet entry deadline	Training fees for pool time - yearly fee billed over 6 months
Travel fees- charged at time of sign up for travel meets, or once final costs are calculated after the meet.	Quarterly Training fees for Dryland - If your child participates in dryland your Bellevue Club bill will include a separate training fee for dryland
Apparel fees – charged when apparel is ordered	
Social Activity fees- charged at time of sign up

PREP	\$248	\$248	\$248	TBD
REG	\$187	\$187	\$187	TBD
CHAMPS	\$187	\$187	\$187	TBD

The Annual Dryland Training program **consists of four seasons**: Fall - Winter - Spring, plus a Summer. The sessions will be conducted primarily by Coach Ash Milad. Other BCST coaches will be assisting as needed.

Participants will be billed during the first month of each season. **NAT and Senior Performance Swimmers are required to participate**, while it's not mandatory for the other training groups. We have acquired the necessary space in the BC to conduct the program. The first week of participation will be at no cost should you decide to DROP. Participants continuing into the second week of the program will be billed the full fee for that season's session. At this stage all swimmers should have a good idea of what to expect. Swimmers attending any training session in the Winter or Spring will be billed the **FULL FEE** as well. Summer dryland training will have the same policy although the fees will be less.
