About the program

Creative Dance is a form of Dance that combines movement and artistic expression without the requirement of extensive training. Creative Dance focuses on the development of motor skills and emotional expression. Creative Dance allows for variation amongst the skill level of its participants, affording opportunities for those of a wide age range. (Ages 2- 4) Creative Dance is an effective holistic approach to promote movement development and improve social and cognitive functioning.

Our 45-minute classes focus on rhythm and basic technique with ballet as the foundation. Music will range from classical to follow-along pre-school/school-age music, keeping your toddler engaged! RECREATIONAL PROGRAM COMMONLY ASKED QUESTIONS

What is recital?

Recital is our year end performance that takes place at a local professional theatre. Dancers perform their routines that they have been rehearsing with their class throughout the season. It is an opportunity for students to showcase their passion for dance. We present one dance per class. The more classes your child enrolls in, the more dances they will be in.

When is the recital and what classes participate in it?

Recital takes place on May 14, 2026 at the City Playhouse Theatre in Thornhill, ON. All Zdancers registered in full season programs (ages 4+) participate in recital.

How much is the recital costume?

Each class will feature a recital costume for participants aged 6 and older, priced at \$125 plus HST. Fees will be included in the payment plan. Costumes will be available for pickup as the recital date approaches, and they are yours to keep!

What other costs should I factor in?

Families should factor in the cost of dance wear (shoes, bodysuits, tights etc). As well as the cost of recital tickets for you and your family to come watch the year end show.

When are the tuition fees due?

Tuition fees are quarterly based and are processed on:

1st Installment- Upon registration

2nd Instalment- January 12th

IMPORTANT INFORMATION POLICIES

Government Shutdowns:

- 1) In the event of a government mandated shutdown we will provide the opportunity to pause tuition if students do not want to participate in our virtual dance class schedule.
- 2) A \$25.00 administrative fee will be charged for anyone wishing to “pause” in the event of a government mandated shutdown. Your tuition will be adjusted and pro-rated/credited based on the length of the shutdown and how many classes you were paused for. A form will need to be submitted in order to pause tuition and have your tuition adjusted.
- 3) Classes will continue virtually for those wishing to participate. Classes may be combined with other ages depending on participation numbers.

Class Cancellations/Make-Up Classes

- 1) Zdance Movement Inc. reserves the right to cancel or combine any classes due to low enrolment. You will be notified if this needs to happen and if it effects your class time.
- 2) In the event a substitute teacher can not be found for an ill teacher, Zdance Movement Inc. may need to cancel the class that week. A make-up class can be taken at a later date.
- 3) A total of 2 Make-up classes can be made if a child needs to miss class due to illness. Please email and notify administration at info@zdance.ca to see which class is available for your child to attend. No make-up classes will be made due to vacation or other reasons
- 4) In the event of extreme weather, emergencies, or government mandated shut downs there will be no make-up classes or refunds provided if it is less than two consecutive weeks of missed class. If a shutdown occurs for longer than two consecutive weeks of missed classes we will provide you with a make-up class schedule at that time. Given the circumstances of the shut down these classes may be provided via an online platform instead of meeting in person.

IMPORTANT INFORMATION POLICIES

Payments:

- 1) All payments are to be made in a timely manner. Payments can be made through our online system via credit card with a 3.2 % processing fee.

- 2) No refunds will be provided for a current instalment period once fees are paid. If you wish to withdraw your dancer in the middle of an instalment period you will not be refunded for any part of that instalment fee.
- 3) Registration fees are not refundable if you wish to withdraw from classes. Registration fees will only be refunded in the event that Zdance Movement Inc. cancels your class due to low enrolment and the alternative class cannot be accommodated by you.
