

Registration Process

Welcome to the David Douglas Aquatics Club! There will be two step registration processes you'll go through to get your swimmer(s) registered, one with USA Swimming and one with DDAC (Legacy Aquatics). New swimmers must register within one week of their tryout date and attend a new parent orientation training. If you have any difficulty with registration, please come to the front desk at the pool for assistance.

Step #1 - Legacy Aquatics, DDAC Registration:

Go to the team website and register your swimmer(s):

<https://www.gomotionapp.com/team/orddsc/page/team-registration>

The dues amount you will see on the site includes the one-time annual \$50 registration fee, plus monthly dues.

- Bronze: \$70
- Silver: \$90
- Gold: \$110
- Senior: \$120
- Scotsman: \$70
- Out of District: add \$20

Select the appropriate squad level, whether you are within the David Douglas school district or not, and if you are paying one month at a time or for the full season all at once. Add all swimmers you need to register and click on "Check Out Now" to complete your registration process.

Once you have completed the payment process and received confirmation, click on the red button to complete the USA Swimming registration. See Step #2 instructions below.

Full season payment option! If you pay for the full season all at once (September to March for Short Course Season and April to August for Long Course Season) you can receive a 5% discount. Please note, any refund is upon the board's discretion and after the halfway point of the season is non-refundable.

Scholarships! Application and more information can be found here:

<https://www.gomotionapp.com/team/orddsc/page/team-registration/scholarships>

Funds are limited and granted to swimmers who have dedicated at least a full consistent year of swimming with DDAC. Apply by September 30, 2024 to be considered.

Step #2 - USA Swimming Registration:

All families must create a USA Swim account. A USA Swim ID will be generated for your swimmer during this process. Please be prepared to pay your annual USA Swimming registration fee of \$90. (Good for a year).

As a parent, you will go to the link below to create your "parent" account **FIRST**:
<https://hub.usaswimming.org/landing>. Once your parent account is created, log out.

You then need to add your swimmers to your account. Log back into USA Swimming via our team link below. The **Legacy Aquatics membership link** is a specific link to connect your swimmer(s) to our team: <https://omr.usaswimming.org/omr/welcome/5FB88B0DFCD444>

If your swimmer(s) qualifies for the Free or Reduced Lunch Program or has a disability you can use the Outreach link to register for USA Swimming, which will drop the annual registration fee of \$90 down to \$5: <https://omr.usaswimming.org/omr/welcome/D522F34682EA48>
