

Hello!

The Newport Swim Team, a non-profit, has proudly represented the City of Newport Oregon for over 50 years. Our club is a year-round swim program offering an experienced coaching staff for ages 6-18. The goal of our team is to provide every member an opportunity to improve swimming skills and achieve success at the swimmer's own ability with instilling a love for competitive swim and sportsmanship. The organization, in partnership with its families, strives to produce successful members of the community. We average 55 swimming members that compete locally, at the state level, regional level, and national level. Almost all our high school club members swim for the Newport High School. NST is proud to be a feeder team for the NHS State Championship Boys and Girls Swim Teams.

Skyla Chen has been swimming with the team for 5 years. She is a multi-sport athlete.

"I love swimming so much because it brings peace to my mind and gives me a sense of accomplishment."

Funds raised help fund scholarships and keep fees reasonable for all families.

Zoey Chappell is dedicated swimmer for the past 3 years. She is making waves in the swim community!

"I love swimming because it challenges me both mentally and physically. I also eat more than the rest of my family combined during the swim season!"

Funds raised help pay for pool rental and equipment.

Ben Hurty has been swimming for over 10 years and travels out of state for regional and sectional competitions. He plans to swim at the collegiate level. "One of the best parts about swimming is if you work hard enough you can eat whatever you want and still stay in great shape."

Funds raised help cover Coach salaries and Coach travel to all swim meets within and outside the state. Many NST alumni come back to practice with NST during college breaks.

Charlotte and Ave Wienert are multigenerational swimmers with NST.

Their Uncle Ranz Wienert still holds the 1650 freestyle 11–12-year-old record set in 1988!

"I love swimming with my friends and having fun racing, diving is my favorite!" -Charlotte

"I love going to practice and racing Grayson and we all get to play together." -Ava

Funds raised help fund operational costs that keeps swimmers in the water.

Thank you for your time and consideration. With your help we look forward to keeping the Newport Swim Team a valuable resource for our community. ***We deeply appreciate your support!***
