

NEWPORT SWIM TEAM – VOLUNTEER SERVICE OBLIGATION TRACKER

This Tracker is designed to help NST families log and report service obligation hours.
Insufficient hours will be billed. NST does offer an opt out option.

- 20 hours per family are required for normal season or if you join before Feb 1st
- 10 hours are required if you join the season after Feb 1st
- Families that join the swim team on or after June 15th will have their service hours obligation begin during the next season, but help is always appreciated and required at the Seahorse home meet in August.

Please see the Volunteer Service Obligation under the Team Info/Fees tab at newportswimteam.net for a full list of examples and the complete explanation of the program. Thank you!

Hours served	Volunteer Activity	Event	Reported to NSTVolunteerReport@gmail.com
Ex.	Lane timer at home meet-2 hours	Banquet	✓
