

Redmond Aquatic Club

RACEPAC meeting

Tuesday December 20th
6-7pm

Minutes

1. Call to Order/Old business

Please welcome Shannan Hall, Janey Powell, Amy Richardson, Krystal Simmons, Kirsty Six and Lahrae Wirtz to lead RACEPAC moving forward.

2. Fundraisers

Wreath fundraiser: The wreaths, swags and center pieces were all handed out and any extras were sold. Thank you to Hannah, Randy, Nate, Janey and Joanna for all your work. The committee will determine if this fundraiser will be a viable option for the future with the increased costs this year and lower profit margins.

Race-a-Rama date: Mark your calendars for April 15th 2023 from 8:00am -11:00am. More details to follow, this is one of our largest fundraisers of the year. All swimmers are expected to participate. It's a fun day.

3. Financial Report

No financial report available this month.

4. Coaches Report

T-Hills.

Shane attended. First time Futures, Senior Sectional, Age Group Regionals, Age Group State and Senior State qualifying times. Molly Konop and Lexi Williams first female RACE swimmers to qualify for futures.

Bend.

Ed and Jody attended. Not a great meet. We will run better meets with our new facility.

Corvallis.

Shane will attend this meet. Time standards for 13 and over, none for 12 and under

Lake Oswego

Meet information should be out soon. Available for all swimmers.

Shane emphasized that we should have more attendance at swim meets, especially local ones. Attending a swim meet allows the swimmers to see time improvements, builds confidence and teamwork being part of a relay. We are a competitive swim team.

Safe Sport

Everything is finished other than the parent and athlete sections. Still need a few more to complete.

Welcome Package

Thank you to everyone that has worked on this important piece to the puzzle.

Long Course Schedule:

Schedule is posted on the team unify page.

Thank you to everyone who attended this month.

Next Meeting Tuesday January 17th 2023 at 6:00pm

MEETING TO BE HELD IN RAPRD BOARD ROOM
