

SPONSORSHIP OPPORTUNITIES

TEAM Eugene Aquatics is a year-round non-profit swim team that provides high-level training to youth swimmers of all abilities. Through self-discipline and technique mastery we strive to build a lifelong love of the sport for all kids.

We reach over 600 swimmers and their families in the Eugene/Springfield area each year through our programs and swim meets and an additional 1500 swimmers from all around Oregon and its neighboring areas.

- **\$10,000** Supports increased coaching staff! We have the best coaches in Oregon, however as our team grow so does our need for more highly qualified staff.
- **\$5,000** Helps supports a swim meet. Competition is a huge part of being a swimmer and allows for swimmers to see the improvements from all their hard work.
- **\$3,000** Helps us to rent additional pool space allowing for more swimmers to participate.
- **\$1,000** Helps us to provide dues for at least 1 swimmer on financial aid for the entire year.

All levels include promotion through our TEAM website, email platform, pool side displays, and annual shirts, as well as a thank you display plaque for your place of business.

Sponsorship can be general, or you can direct funds to a program like our Swim-A-Thon, financial assistance program, injury prevention, coach development, or increased access to youth, many customizable options are available to meet the needs of each individual business.
