

Corvallis Aquatic Team

Can/Bottle Recycling Program

CAT Parents – With the increased pool rental costs the CAT Board is looking for additional fundraising opportunities. We recently set-up a nonprofit BottleDrop account. Please consider participating in one of two ways described below to help raise funds for the team and offset the increased pool rental costs.

1. If you already have a BottleDrop account, you can donate your balance to CAT. Just search for Corvallis Aquatic Team at [this link](#).
2. Pick up a blue bag and associated sticker with CAT's QR code. Fill the bag, attach the sticker and drop off the bag at any BottleDrop location. The funds will be directly deposited into the CAY account. (The blue bags are the organization's version of the green bags you may be using for your personal BottleDrop account.)

If you have questions or need more blue bags please reach out to Courtney Shaff at Courtney.shaff@gmail.com

Thank you!
