Notes  
(days cannot attend, etc.):

 Save Changes

In the Notes Section you can write anything you want the coach to see/ know. Some examples of great things to put in notes:

- Can only attend on Saturday
- Wants to swim 200 Fly

Please note some Meets are Friday, Saturday, Sunday. If you don't put anything in the notes it is assumed that you want to swim all days.

Once coaches have selected events, if you go back in the same way you committed and scroll down, you can see what events they have selected.
